Property #2: Looking for that perfect Hill Country getaway? You may want to start your search here! This 50 AC. +/- property is very private and secluded but easily accessed and just a short distance from paved state highway. Selective clearing has uncovered numerous oak motts and opened up several areas for hunting. The highest point of the land has breathtaking views and provides a panoramic vista of the beautiful surrounding countryside. Excellent opportunity for family recreational activities, very near two beautiful rivers, and a great buy at \$3,500 per acre.
