DISCLOSURE: All information contained herein is from sources deemed reliable, but is not guaranteed by this agency and is subject to change in price or terms, correction, prior sale, or withdrawal without notice.

Property #16: Very hard to find acreage in the Frio Canyon that has current Agriculture Tax Evaluation, no improvements, no restrictions and no HOA. The 20 acres, more or less, to be surveyed, has potential for a home site, grazing for cattle or horses or to be developed as the new owner wishes. The land is flat with deep soil, and is partially fenced. This property is located near the small community of Rio Frio, and is only a short distance to the Frio River and to Garner State Park. It has easy access from a county maintained road. Electrical service is nearby and will need a well. This parcel of land is a bargain for \$10,000 per acre.
