Property #6: Beautiful 7 AC +/- tract of land near Leakey with breathtaking long views of the West Frio River Valley & surrounding hills. The property is very private & secluded but is just two minutes from state highway and is accessed primarily via county road and then a short stretch of easement road. Electricity & phone front the property and you would drill a well & have a septic system for your other utilities. The level tree studded terrain is fenced on two sides & is very horse friendly. There are some sensible restrictions but no HOA & most of the neighboring tracts are larger properties. This amazing new listing is priced to sell and will not last at \$139,500!
