Property #10: Looking for that perfect private & secluded getaway well then this 20.23 +/- property just might be the place for you! This mountain top retreat is approximately 15 minutes from Leakey but a world away from the hustle & bustle of the big city. It is relatively easy to access & is a very short distance off a county maintained road. While the terrain is typical of the Hill Country it is easy to traverse both on foot or 4 wheeler & is all usable land. There are no structures or utilities but electricity runs across the tract and is readily available. There is no HOA/POA or building restrictions so bring your travel trailer or build what you want. Abundant natural resources in the area include the West Frio River which meanders thru the valley very near the property. There is ample & diverse wildlife so the hunting should be good.
